

Canadian Critical Care
Trials Group

Fall 2023 Scientific Meeting | Réunion scientifique automne 2023
November 28 | 28 novembre
The Faculty Club at the University of Toronto (41 Willcocks Street)

Tuesday, November 28				Mardi 28 novembre
8h30-9h		<i>Breakfast in Lounge/Wedgewood Room (main floor)</i>		
9h-9h15		Land Acknowledgement Paula Sevestre CCCTG Welcome Kusum Menon and Bram Rochweg		
9h15-12h15 EST		CCCTG Morning Session Wedgewood Room (main floor) Co-Chairs: Dayre McNally and Dominique Piquette Session Scribes: Stefanie Blain-Moraes and Chistopher Yarnell		Protocol Development Sessions Upper Dining Room Chairs: Rob Fowler and Bram Rochweg
Time	Mins	Presenter(s) Name	Research Project	Protocol Development - Concurrent
9h15-9h45	30	John Muscedere	Furosemide as Supportive Therapy for Hypoxemic Respiratory Failure from Pulmonary Infection <i><u>NEW PROJECT</u> proposal presentation</i>	9h15-10h15 Protocol development FLUDRO-1: Fludrocortisone in acute respiratory failure with airspace disease Bijan Teja
9h45-10h30	45	Sabira Valiani Jennifer O'Brien Salima Suleman	CONNECT-ICU: Findings from Facilitated Workshops to envision a future where communication technology facilitates patient and family centered care <i><u>UPDATE</u> on project underway</i>	
10h30-11h	30	<i>BREAK</i>		
		Co-Chairs: John Muscedere and Sandy Pong Session Scribes: Bijan Teja and Sabira Valiani		10h45-11h45 Protocol development Annexin A5 in sepsis Aleks Leligowicz and Marat Slessarev
11h-11h45	45	Sylvain Lother Ryan Zarychanski Patrick Lawler	ATTACC-CAP corticosteroid domain <i><u>NEW PROJECT</u> proposal presentation</i>	
11h45-12h15	30	Christopher Yarnell	Thresholds for invasive ventilation in hypoxemic respiratory failure <i><u>NEW PROJECT</u> proposal presentation</i>	

12h15-13h15	60	LUNCH		CCIRNet LUNCH 12h-13h
13h15-17h EST	CCCTG Afternoon Session Wedgewood Room (main floor) Co-Chairs: Patricia Fontela and Ewan Goligher Session Scribes: William Beaubien-Souligny and Sylvain Lother			Canadian Community ICU Research Network (CCIRNet) Symposium *Separate registration required
13h15-13h45	30	Margaret Herridge	The RECOVER-GRACE and CANCOV Programs <u>UPDATE on project underway</u>	
13h45-14h30	45	Lauralyn McIntyre Dayre McNally	Upcoming Patient & Family Partner Partnership Opportunities <u>UPDATE on project underway</u>	
14h30-15h	30	Georgiana Roman Sarita	IMPROV: Inspiratory Muscle training in Patients Receiving Ongoing mechanical Ventilation NEW PROJECT proposal presentation	
15h-15h30	30	BREAK		
Co-Chairs: Sonny Dhanani and Stephanie Sibley Session Scribes: Ted Clark and Aleks Leligdowicz				CCIRNet BREAK 15h15-15h30
15h30-16h	30	William Beaubien-Souligny	Update of the Probe-Fluid trial <u>UPDATE on project underway</u>	Canadian Community ICU Research Network (CCIRNet) Symposium
16h-16h30	30	Frederick D'Aragon Maureen Meade	CINERGY-Pilot Update <u>UPDATE on project underway</u>	
16h30-17h	30	Stefanie Blain-Moraes Adrian Owen	Establishing Neurophysiological Evidence for the Treatment of Coma and Disorders of Consciousness in the ICU <u>UPDATE on project underway</u>	
17h00	RECEPTION and CCIRNet TOOLKIT LAUNCH (Wedgewood Room)			
18h30	Optional dinner reservations
