

Lessening Organ  
Dysfunction with  
VITamin C

# Newsletter

Volume 2, Issue 15

December 21, 2020

## CONGRATULATIONS !!

The Wellington Hospital, the Auckland City Hospital (General ICU), the Christchurch Hospital and Rotorua Hospital in New Zealand are activated! Wellington Hospital has enrolled their first 3 patients!

Vitality Health Network in New Brunswick enrolled their first patient!

The Apollo site in India enrolled a third patient!

The past year has been one of the most demanding, and everyone is continuing to work very hard. We are really proud to work with you!

We wish you and your families

Happy Holidays.

2021 is full of hope.

## New Versions of the Operations Manual and Pharmacy Manual

The main changes in the Operations Manual are the addition of the studies SAVE ICU, Nasal PFD Covid and GenOMICC for co-enrollment, details regarding how to complete CRFs when the vasopressor metaraminol is used, clarifications about the tools used for patients receiving non-invasive ventilation, clarifications about how to complete the question on renal replacement therapy at day 28 on the Outcomes Form, and the addition of flow rate values in the conversion table for FiO<sub>2</sub> when using a nasal cannula.

The main changes in the Pharmacy Manual include details about the concentrations tested in the stability study and instructions on the preparation of the doses for patients of 32 to 49 kg.

There were 22 patients enrolled into LOVIT as of December 20.

Juravinski Hospital: 6

CIUSSS de l'Estrie – CHUS: 4

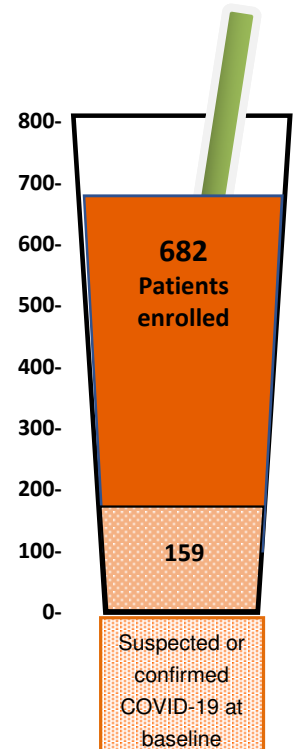

Hamilton General Hospital: 3

Ottawa General Hospital: 3

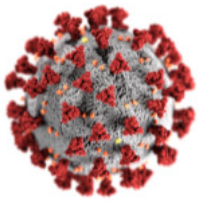

Sunnybrook HSC: 3

Wellington Hospital: 3

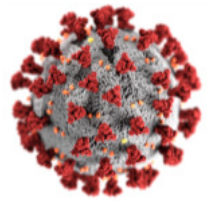

Thank you all !

**We LOV(e) working with you!**

# LOVIT-COVID Trial

## CONGRATULATIONS

Sunnybrook Health Sciences Centre,  
CHUM and St-Joseph's Healthcare Hamilton  
are now activated!

Sunnybrook enrolled their first two patients!

Five sites are now activated and 39 patients enrolled!!

We aim to enroll 800 patients.

**New Versions of the Operations Manual and Pharmacy Manual**  
The changes in those new versions are the same as those in LOVIT.

**We encourage sites in Canada to participate in  
LOVIT-COVID. Please contact us if interested.**

## LATEST UPDATE

Startup payment is now **\$3000** for sites submitting  
through CTO or MSSS and **\$4000** for other sites.
